

Oops, Google Did It Again

By Lotame

[Verse 1]

Yeah yeah yeah yeah yeah
Yeah yeah yeah yeah yeah yeah

Am E Am
Google did it again

G C G C G
They made you believe cookies aren't your friends

Oh baby

Am E Am
Their death might seem like a rush

G C G E
But it doesn't mean they're serious

[Bridge]

Am E
'Cause to harm all your business

C G
That is just so typically them

E
Oh baby, baby

[Chorus]

Am E Am
Oops, Google did it again

G C G C
They played with your heart, got lost in the date(s)

E/G
Oh baby, baby

Am E Am
Oops, you think you're sick of

G C
That Google's delay is hand in glove

E G
They're not that innocent

[Verse 2]

Am E Am
You see our problem is this

G C
We're working away

E Am
Wishing that fairness, it truly exists

Am E Am
We cry, watching the days

G C G E
Can't you see Google's fooling you in so many ways

[Bridge]

Am E
'Cause to harm all your business

C G
That is just so typically them

E
Oh baby, baby

[Chorus]

Am E Am
Oops, Google did it again

G C G C
They played with your heart, got lost in the date(s)

E/G
Oh baby, baby

Am E Am
Oops, you think you're sick of

G C
That Google's delay is hand in glove

E G
They're not that innocent

Yeah yeah yeah yeah yeah yeah
Yeah yeah yeah yeah yeah yeah
